This product has been formulated specifically for horses and is not intended for other species.

FEEDING DIRECTIONS:

Feed Stroh Premium Horse to horses. Feed at a rate of 2.5 to 5.0 pounds per day depending on condition, along with a good quality hay. In addition, feed a free choice mineral such as Tradition Horse Mineral. A constant supply of clean, fresh water is necessary for optimum results.

Net Weight 50 lb (22.68 kg) or bulk invoice

Manufactured by:
Stroh Farm Supply

Stroh, IN 46789

Benefits

- Great for any horse of any age!
- Includes a Linseed Pellet which not only makes their coat shiny, but is high in Omega III fatty acids which is good for the horses joints!
- Contains ingredients such as Biotin 100 and Zinpro 4/ Plex™ which is great for hoof health!
- Formulated with direct fed microbials and yeast products which promotes a healthy digestive tract
- Economical: Fortified to meet nutrient requirements at a low feeding rate of 2 1/2 pounds per head per day
- Formulated to meet the nutrient need of horses from maintenance to medium worked horses
- Can also be fed to performance at higher feeding rates
- High quality grains combined with vitamins and minerals provides a very digestible, consistent and completely fortified feed for all horses
